The "Getting Better Faster in Wrestling System" will help you reach for your goals in an easy to learn "Systematic Approach." Wrestlers will be taught moves that "STATE CHAMPION" wrestlers use to dominate their opponents. Wrestlers will also be able to pick two of the Mills Product videos. (three if paid by June 15th !!) Each session the wrestlers will be broken into small groups by size and ability. Our experienced State Champ staff will then instruct in an easy to learn step-by-step method. Each day wrestlers will be drilled on material learned and then presented new moves. Wrestlers will also be coached on mat strategy, things to do in the off season, weight training, nutrition, and goal setting. This camp **WILL** put each wrestler on a path to become their own STATE CHAMPION. I look forward in working with all wrestlers big and small to pass on the knowledge to become the next STATE CHAMPION !!!!! To reinforce the moves taught at camp each wrestlers will receive three Mills video's!!! It's our way to keep on coaching you throughout the season. Hope to see you at Clio HS (1 Mustang Drive - Clio, MI 48420) on July 11th.

Wrestler receives 2 videos with paid camp fee
Sign up before June 15th receive one BONUS video (total of 3)
